Part 2 - Something's Not Right

I recently came across an [article](#)¹ that filled me with such distress that I simply could not keep silent.

The article in question was SPECIFICALLY directed at Christians and how to get them to submit to vaccination. Not Jews, not the followers of Islam or any of the other myriad of faiths floating around out there. CHRISTIANS. You need to start asking, “WHY?”

The primary goal of the “writer” (whom I would love to debate) was to GUILT Christians into taking the experimental gene therapy that is incorrectly labeled a “vaccine.” He primarily used the “love your neighbor” and “serve one another” arguments, along with just one passage from the New Testament that he managed to twist to his benefit to back up his claim (Galations 5:13). Precisely why it would matter to this intellectually indigent purveyor of fear-porn whether or not ANYONE else was vaccinated if he was vaccinated and IF said vaccine ACTUALLY WORKED is never explained – and never will be. Why not? Because said writer is part of a cult – the dreaded Cult of COVID.

Buried deep within this morass of mendacities lay the heart of those who are ultimately behind it. You see, the Wheaton College Billy Graham Center partnered with the Centers for Disease Control – the infamous CDC – which has lied about almost every aspect of this manufactured “scamdemic.” This is merely another method of getting you to WILLINGLY submit to the jab. They’ve tried fear, they’ve tried shaming, they’ve tried lotteries, they’ve tried giving away donuts and beer and guns and free rides in race cars. And now, they lie via wolves in sheep’s clothing to shame you into not being like Christ. They are beyond reprehensible.

You REALLY need to start asking yourself what is going on here. WHY are they so insistent that people be injected with a questionable and untested poison for something that is 99.9% survivable with the equipment already onboard each of us? Why use an unsuccessful and FAILED vaccine type never before used in humans (officially) – mRNA – that had failed miserably in animal tests prior? What changed? Why use a company – Moderna – that hasn’t had a single success? Why use a non-governmental defense contractor with ties to the CIA to award vaccine contracts and bypass regulatory oversight? Why use a test that was never meant as a diagnostic tool and does not provide a binary result (like being pregnant) and instead relies upon arbitrary proclamations based on anorexic evidence? Why do they have to silence doctors that disagree with their illogical and unscientific narrative? These evil creatures constantly vacillate and change their minds – first, don’t wear a mask, then you must wear a mask, then you must wear 2 masks, then don’t wear a mask – all the while claiming to “follow the science,” as if it is a chameleon or a mind-numbing computer game. The “science” has never changed – study after study proves that wearing a mask is useless to stop a virus. It’s not about science. It never was. It’s about leading and misleading the herd. Anybody that tries this hard to sell you something should be setting alarm bells off in your head. And more critically, why the direct focus on Christians? You need to

seriously begin to reconcile these issues because life itself is a series of tests and whether or not to take this vaccine just might be the final exam. This is monumentally important because YOUR VERY SOUL IS AT STAKE.

To See or Not To See

Who hath ears to hear, let him hear.

And the disciples came, and said unto him, Why speakest thou unto them in parables?

He answered and said unto them, Because it is given unto you to know the mysteries of the kingdom of heaven, but to them it is not given.

Therefore speak I to them in parables: because they seeing, see not; and hearing they hear not, neither do they understand. - Matthew 13:9-11,13

In other words, what if there are some things that some people will never see because they simply aren't meant to see?

Those Bible passages may seem unimportant until you learn to tug on the fabric of what lay beneath, thus daring it to be seen. EVERYTHING happening around you is a parable cloaked in symbolism. You need to open your eyes and begin to see what I see. The following article endeavors to explain the symbolism behind COVID and what I believe it truly means.

The first thing to realize is that secret societies such as the Freemasons speak via the language of symbolism. This is how they reveal truth – and they MUST reveal the truth for every lie they tell. You see, we reside in a hallowed hall of mirrors in which every action must be balanced by an equal and opposite reaction. Ergo, if they tell a lie, they also must tell the truth or the environment itself will see to it that the truth is somehow revealed *on its own terms and in its own time*. It's truly that simple. When secret societies reveal truth via symbolism on their own terms, they are heading off the unexpected karma at the proverbial pass and steering the narrative in the direction they seek.

I have spent over 10 years and have written 4 books on the mirrors in time that define our existence. Along the way, I uncovered that there is but a single story at the heart of everything happening around us. It continuously bounces off the withering walls of time, playing backward and then forward and then backward once again. Over and over it repeats. We all play our parts in the recreation of the elusive yet ubiquitous “common event,” just as the story of Christ was but one of the many echoes of that singular and sad soliloquy.

Along those lines, it is very important to realize is that the United States was created in the image of Christ and must, therefore, function as a scapegoat in this preeminent but platitudinous play. For all intents and purposes, the United States as a whole – all of us - represent Christ or the role he once played. You will need to [go to this link](#) to review all the evidence for that amazing assertion.

As stated in my 4th book, released in 2017, Donald Trump, as President of the United States, functioned as a mirror reflection of Christ. Just like the head makes each body unique and is used to control the actions of the body, so, too, was Trump's function – to lead the people to The Crossing. Indeed, Donald Trump's paternal grandmother's maiden name was literally *Christ*. That is correct. It was Elizabeth Christ Trump that started the real-estate development company known as Elizabeth Trump & Son with Donald's father, Fred, in 1923. The company passed to Donald in 1971. According to FamilySearch.org,

Elizabeth Christ Trump died on 6 Jun 1966 (or 6/6/66). As such, his role, effectively, was of an “anti” or opposite Christ. But, no, it is definitely not what you are thinking. In the world of mirrors in which we reside, every event must be balanced by an equal and opposite re-event(s) whereby the roles and sequence of events are reversed. “Anti-Christ” does not necessarily translate to evil. It merely means a reflection in the mirror. There is much more to this operation and it is explained in my books.

I realize what I stated sounds incredible, but consider the following:

- Like Christ, Trump was seen as a messianic figure in that it was hoped he would save the nation created in the image of Christ. His primary supporters – his disciples – were the Christian right.
- Like Christ, Trump was viscerally hated by those he came to save.
- Like Christ, Trump sought to improve the conditions of those around him – hence the economy was booming prior to the “scamdemic.”
- Like Christ, the modern-day “Pharisees” (the Democrats) sought to prove him wrong, accusing him of all manner of crimes, but couldn’t make one thing stick.
- Like Christ, these modern-day “Pharisees” claimed he was illegitimate and shouldn’t be President, and spent 4 years trying to remove him from office. This mimics the Jewish denial of Christ as Messiah and King.
- Like Christ, Trump was betrayed by the people closest to him. Those people would also go on to “deny” him.
- This time, however, instead of the leader dying on the cross or, more importantly, "on the Crossing," the nation created in the image of Christ would die. This "crucifixion" was replicated when the Trump supporters allegedly stormed the Capitol on 01/06/2021. You see, the Capitol resides on a hill, just like Golgotha ("the place of the skull"), and it is located "on the crossing" – literally, the center crossing dividing the streets of Washington, D.C. into 4 quadrants (NE, NW, SE, SW). This symbolic death would then take place 13 days after Biden was officially declared the winner of the election in the early morning hours of 01/07 – during his shotgun inauguration on 01/20, guarded by scores of troops. The number 13 was critically important and highly symbolic with respect to the birth of the nation ([see my other report here](#)), so it is only natural that it would make an appearance at the end.

But then, on 01/24/2021 – just a scant 4 days after Biden's inauguration and ON THE FIRST SUNDAY (the day Christians typically go to church and the day of Christ's resurrection) – the lights mysteriously went out that bathe the Washington Monument at night, leaving it in darkness². The excuse was a faulty timeclock³.

What symbolic message could that possibly represent?

Quite simply, when Christ died, the tripartite synoptic gospels speak of darkness befalling the entire world from the 6th to the 9th hours. If what I state is true and we did relive the story of Christ's crucifixion, then naturally, that very important piece of the narrative MUST also be present.

But the whole world didn't go dark, did it?

While I do not have the time or space to adequately explain here, both the Washington Monument and the Sun (which is what Sunday is named after) represent God the Father or mankind itself – the masculine realm of "Two Parts." Turning out the lights on the monument was symbolically the same as the world going dark at Christ's crucifixion. You will need to read my books or watch my videos to learn more.

Ah, but that's not all.

On 02/09/2021, 33 days after Biden was officially declared the winner, two very important symbolic events occurred. First, Leonardo da Vinci's *Last Supper* was reopened to the public inside the refectory of the Convent of Santa Maria delle Grazie in Milan, Italy⁴. The *Last Supper*, of course, supposedly reflects the events of Christ's last supper with his disciples. And, for the second event, somebody launched an unarmed Trident ballistic missile from the ocean off the Florida coast⁵ – very close, relatively speaking, to Trump's Mar-a-Lago residence. It proceeded downrange some 5,200 miles to a reentry area just to the east of Ascension Island. Strangely, the U.S. Navy allegedly never issued a press release about this launch and it waited until the next day before confirming it came from one of their Ohio-class SSBN boomer subs.

The number 33 refers to the alleged age of Christ when he died. Years becomes days. Christ's fate was sealed at his birth when he was slated to die for his people, which is traditionally thought to have been when he was 33 years of age. However, during my years of research, I came to believe that Christ actually died at 46 years of age, 33 years after coming of age at 13 – another subject discussed in my books – which provides a link to the 46th president, Biden, and yet another mirror reflection. Trump's disciples would be carried to the crossing for the symbolic death of the nation created in Christ's image. All of the aspects of the original defining narrative have become mutated and are trying to play in reverse as any reflection should. In this case, the reopening of the *Last Supper* led to the crucifixion 33 days *earlier*.

But what about the missile?

The launch and "ascension" of the unarmed and effectively neutered Trident missile – representative of the masculine – with a destination of Ascension Island on the 40th day of the year symbolically replays the ascension of Christ 40 days after his resurrection (in this case, the resurrection of the year).

There is always a story above and a story below.

Before we move on, it is important to note that, in the mRNA COVID "vaccines," the mRNA is encapsulated in something called "lipid nanoparticles" made from *polyethylene glycol*. That's the same stuff in products like MiraLax laxative and, interestingly, even the rocket fuel in Trident II ballistic missiles. Ponder this for later when we will revisit.

It's all quite incredible and hard to believe, but where does COVID come into play?

Ah, to fully understand that, we would have to go back in time to review a tiny bit of the symbolism of 9/11 – which I devoted a hundred pages to in my third book, *The Masters of the Mirror: Ark of the Apocalypse*. For now, let's just say that 9/11 was near the beginning of this little detour in time and it marked yet another crucifixion in this ever-repeating common narrative. In fact, it was both a birth and a death all in the same package. Gotta love the Freemasonic gift of telling multiple stories at once.

But let's go back in time just a wee bit further, shall we?

In the year 2000, there was yet another contested election which was ultimately decided by the Supreme Court. It was a mirror opposite of this past election and proof that the Mirrors in Time, the subject at the heart of all my books, actually exist. The key element in this case was the date the election was decided: 12/12/2000.

What's so special about that date?

First of all, it is 19 days before the end of the year and 13 days before Christmas – two very important numbers in what will come. It is also a summed 3|3 or 33 with respect to the month and day. Most important, however, was the fact that it was PRECISELY 39 weeks prior to 9/11. Thirty-nine weeks is the number defining the typical gestation period of a human fetus. It is a triplicity of 13s, which itself is the 6th prime and thus literally seeks to produce both man itself and the number of man from Revelation 13 – 6|6|6.

“Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.” – Revelation 13:18

The symbolism revealed is that, when Bush was chosen as the new king by the Supreme Court, it served as the unholy conception that directly influenced or brought about the great Beast that was birthed 9 months later. This was an event that caused a “loop in time” that mimicked the loop produced by Flight 77 on 9/11 before it allegedly crashed into the Pentagon. As unbelievable as this sounds, the “loop in time” of which I speak involved the year 2020 crossing back over the year 2009 – yet another subject detailed in my 4th book, *Veil of Evil*. This “crossing in time” that I discovered helped me to predict things like the pandemic and even the faceless public (from masks) because the cover of my 4th book had the Statue of Liberty without facial features – a haunting prophecy of 2020.

Fast forward in time PRECISELY 19 years from the point that Bush was chosen as king on 12/12/2000 to 12/12/2019. Thirteen days before Christmas, the Wuhan Municipal Health Commission (WMHC) reported 27 cases of viral pneumonia that eventually came to be known as COVID-19. This is what the “19” was truly referring to. Nineteen years after Bush was made king and 19 days prior to the end of the year we both began our little temporal detour and saw where it would end. This time, COVID-19 would ensure that a new king was installed while the Supreme Court remained uncharacteristically silent. It was all a mirror version of what happened 19 years earlier. Oh, and COVID-19 arrived **PRECISELY 6,666 days after 9/11**. Just saying...

I know. It's all unbelievable. But is it just a crazy coincidence or something more?

On 01 May 2020, House bill H.R. 6666 was introduced – the COVID-19 Testing, Reaching, And Contacting Everyone (TRACE) Act⁶. The bill “authorizes the Centers for Disease Control and Prevention (CDC) to award grants for testing, contact tracing, monitoring, and other activities to address COVID-19.” While nothing has come of it (yet), all you have to do is look at the number. Again, there's the number 6, which has dutifully been linked to COVID, repeated 4 times. Then there's the fact it was introduced on “May Day,” the International Worker's Day to the Socialists. May 01 is also a feast day in the Catholic Church for St. Joseph, the earthly father of Christ. Yes, indeed. Lots of symbolism here and all involving Christ.

Then, of course, there is the “guideline” that states that we must “social distance” and remain 6 feet apart. Why 6 feet? Why not 5 or 7?

If you convert the 6-letter word, CORONA, to numbers, you get 3, 15, 18, 15, 14, 1. Add them up and you get 66.

The published “complete genome”⁷ of SARS-CoV2 supplied by the Chinese (apparently published after the Moderna vaccine was created – how did they do that again?) has 19 authors and ends with the letter “A” repeated 33 times. There are those numbers – 19 and 33 – again.

And, of course, look at the recent COVID relief package that supplied you with another \$1400. It totals \$1.9 trillion. There’s that number 19 again. Do you really think it still doesn’t mean something?

But, heck, let’s look closer at all of those stimulus packages, shall we? Do you want to know why you received a \$1200 stimulus payment to be followed by a \$600 stimulus payment? Because of something I call the “Two Parts” and the “Third Part.” It is a fundamental aspect of reality that is revealed in *The Bible* (since *The Bible* is a science textbook) and you can learn about it in my books. But that is just the beginning because those divisions are literally designed to represent how we were “in the beginning” – the Two Parts and the Third Part. The true goal of our existence, however, is to reach the Golden Ratio of a pair of numbers (1.6180339887...), when the sum of the quantities of both to the larger quantity is equal to that of the ratio of the larger to the smaller – and thereby achieve “perfection.” Perfection is achieved by transferring from the Two Parts to the Third Part. In our stimulus package example, we then received \$1400 more to give us \$2000 in that second stimulus (yes, they specifically link this \$1400 to the \$600 because they love to tout the \$2000 we were “given”). Do the math, boys and girls:

$$2000/1200 = 1.666...$$
$$(2000+1200)/2000 = 1.6$$

This is about as close to the perfection of 1.618 as is possible with such large, round dollar amounts. Do you really believe this just “happened?” No, this is the hidden symbolism taking place behind the scenes that you blithely ignore. More importantly, it is proof of the Freemasonic hand at work because they know these secrets I managed to uncover in my books.

And think of the symbolism in using a defense contractor – Advanced Technologies International, Inc. – in the development of the vaccine and even linking Operation Warp Speed with the Manhattan Project. Using a non-governmental intermediary allows them to bypass the regulatory oversight and transparency of traditional federal programs⁸? This means that any information about what they were doing might not be available through public records requests, not even Freedom of Information Act (FOIA) requests. And, of course, you do realize that defense contractors are employed to develop WEAPONS to be used against the enemies of the state, right? The Manhattan Project developed weapons of mass destruction. Is the vaccine a weapon of mass destruction? Think back to the mRNA in the vaccine being encased in polyethylene glycol – used in the fuel for Trident II nuclear ballistic missiles. Is this merely a coincidence or is it a message? Is World War III being fought *inside our bodies* instead of outside? That would definitely fit the mirrors in time as I theorize.

There is, of course, one other big Mirror in Time to consider. After the European nations arrived in the New World, they brought with them a host of diseases against which the native populations had no

defense. Within a few generations, some academics estimate that 95% of these native Americans – a staggering 20 million people – were wiped out⁹. It was a genocide of staggering proportions. Don't you think it's a little too coincidental that the mRNA vaccines have an alleged 95% efficacy rate? Every action has an equal and opposite reaction – every event an equal and opposite re-event. Roles reverse but the story must play the same. Are we seeing a “balancing of the books?” If so, how will this play out? Something to ponder.

But what does coronavirus really mean?

Think about it. As stated at the beginning of this treatise, corona means “crown.” It refers to the spikes that visually mimic a halo or a solar corona. A virus is something that invades and sickens. Put it together and we have a tool meant to invade and take the crown of a king, which is precisely what happened. If I am correct about the symbolism portrayed and how it is designed to mimic the story of Christ, that would mean that, yet again, the crown was taken from a messiah, Trump, before he could “save” the people. Just like what happened 2000 years ago.

But it goes much deeper. Again, I stated earlier that it was not meant for Trump – in the unwitting role of Christ – to be crucified. This time, it was meant *for the people* to be crucified on the Crossing. Well, think about it, boys and girls. What was the primary and most fearful of all the COVID-19 symptoms? The inability to breath, correct? Remember all the stories of being put on ventilators? Now, think about what happens when you are nailed to a cross. In order to keep breathing, you have to somehow hold yourself erect. However, eventually you will tire and your upper torso will slump forward. With your arms out to your sides, you find that you can't breathe in that position. You are gasping for air. Don't you see? The coronavirus is designed to mimic a crucifixion. And what does the vaccine do to you? It causes your cells to produce the coronavirus spike protein – the shell outside of the virus adorned with “spikes.” Couldn't this shell of spikes be seen as a CROWN OF THORNS? Corona means “crown.” Hmmm. And what was Christ's death supposed to bring about? The saving of the immortal souls of ALL believers, correct? What is one of the primary methods of getting you to submit to the vaccine? To fool you into thinking you are doing it to “save those around you.” Do you now see why those in charge would want you to willingly choose to take a vaccine to save yourself while hiding behind the guise of saving everyone else? The believers in the virus all must be vaccinated to save each other.

Wake up people!

Don't you get it? You are Christ ON THE CROSS. YOU are the Second Coming – not of Christ but *the story of Christ*. The same narrative repeats again and again and the outcome *can NEVER change*. Christ was duped into willingly going to his crucifixion. He gave no defense. He believed that he was dying for those around him. Once on the cross, he finally learned the truth – hence his pleading words, “My god, my god, why hast thou forsaken me?” He finally knew something wasn't right. He was beginning to suspect that the God of the Old Testament and God the Father were two separate beings – one evil and one good, respectively. And as Christ stated, this was not his or his Father's domain. He had been misled. Hanging on that cross, he finally realized he was in Hell. Those who have willingly taken the vaccine have equally been duped into believing they, too, would save their fellow man and even themselves (a mirror of Christ). Roles reverse but the story plays the same.

But even with the primary element of crucifixion now being borne by the people, the original story – mirrored – must replay with scapegoats to play the roles (as with Trump). To that end, on 02 Apr 2021 – Good Friday, the day Christ was killed – a 25-year-old black man named Noah Green drove his car into a concrete barrier at the Capitol¹⁰ – the location of the earlier crucifixion during the 06 Jan 2021 “Insurrection.” In the process, a Capitol Police officer named William Evans was killed.

The mirrored elements are astounding. Green is the mirror opposite of Red, one of the meanings of “Adam” from the parent narrative. Being African American is a mirror opposite of the traditional Caucasian image of Christ. Green was a follower of the Nation of Islam, an “anti” element to Christianity. Two weeks earlier, he gave \$1,085 to the Nation of Islam’s Saviour’s Day¹¹, even including a link to a video of Louis Farrakhan’s speech entitled, “The Divine Destruction of America¹².” This donation was given in the name of “Noah X.” The letter “X” is a symbol of The Crossing with the name Noah linking back to the first Noah that was associated with the destruction of the world during the Great Flood. When you add the earlier death of Capitol Police officer Brian Sicknick during the 06 Jan 2021 “Insurrection” with the death of officer William Evans in this incident and occurring on Good Friday, clearly, therefore, we find that Noah Green portrayed the role of Christ “on the crossing” (the Capitol) by dying with two cops instead of two thieves as would have occurred during the crucifixion of Christ.

Again, the same story keeps repeating and you keep missing it.

To continue this line of thought with regards to the “crown” and the incessant “19” symbolism, consider the following. The 19th Amendment to the Constitution afforded women the right to vote. It passed the House and Senate in 1919 where it was sent to the states for ratification. That took place 19 months after the previous amendment, known as Prohibition, was ratified, and it was 19 years prior to the start of World War 2. Back then, something was taken from the people that made them feel better – alcohol – in the misguided belief it would improve society when, in fact, the opposite occurred with crime rising 24%. They were, in essence, on “lockdown” for their own good. During the 13 years of Prohibition, the country would not only be denied their methods of relaxation and socialization (like today), they would also endure a terrible financial collapse with the Great Depression. Yet women were given the right to vote. This is of critical importance because one of the predictions in my 4th book (Veil of Evil) from 2017 stated that we are reliving the years 1912 – 1945, thanks to the aforementioned Mirrors in Time. Part of that prediction was the specific naming of 2020 as the year of the “Crossing” and that we would endure a pandemic, which came true. If I am correct, the “19” symbolism (which is a number that means “resurrection”) is meant to reveal the eventual ascension of a woman to the presidency when Biden will either be removed for dementia or becomes otherwise incapacitated. Again, that is the whole point of the “coronavirus” – to take the crown and crucify the people.

Now, ponder the meaning of what they have done to the nation and their incessant push to get you to take the vaccine. They have divided people by social distancing and by lies and censorship. They have made you wear a mask to represent keeping you gagged because nobody listens to any protestations. They have kept you from going to church. They have kept families from gathering for holidays like Thanksgiving and Christmas with unnecessary fear porn. They have stolen your faith in your god and the “Grand Plan” by making you desire to be vaccinated and to wipe out the “corona” – the divine kingship – within you. And, yes, that is literally how the vaccine works – by creating the spike protein present in the “corona.” It’s like the biblical Esau being tricked into selling his birthright for a pot of soup. Don’t you

understand? They DELIBERATELY want you to know that the presence of COVID-19 is ethereal – as with the CDC not having any of the virus itself – so that it adequately portrays the spiritual realm of God the Father and Christ. If you TRULY believed in your god, you should have had faith in its ability to keep you safe. You WILLINGLY abrogated everything you have tried to believe in and follow all your life. YOU made a choice. Whether this coronavirus is real or imaginary is NOT the point. If this was an actual test of your faith, those that claim to believe in Christ and yet “got the jab” effectively failed. They did so because they were afraid *for themselves* – a mirror opposite of the altruistic Christ. And make no mistake, if you think that this isn’t a replay of the crucifixion of Christ and that it isn’t an effort to destroy everything you believe in – including your very soul – you simply haven’t been paying attention. That’s on you.

Look around and marvel at how quickly the United States was taken down. Christ died quickly on the crossing, as well. Make no mistake. The United States died on 01/20/2021. You will not recognize this world by the end of the year. Food and fuel prices are rising. Starvation of EVERYTHING – food, fuel, products – has already begun. A string of manufactured false flag events will continue – it is inevitable. Do you feel the unease within your soul? Then perhaps you do see it, too.

“Those who can make you believe absurdities can make you commit atrocities.” – Voltaire

Based on the evidence, in my humble opinion, this whole COVID thing is a con. The vaccine is the ultimate Trojan Horse. Put it all together and you should be terrified by what they want you to take.

Science? Yeah, right. It’s just the Cult of COVID...
